

Aberlea Vet Life Planning

WHY WE EXIST?

We help people plan for life with their pets and adjust to what the world throws at them throughout pet ownership from start to finish.

Our process is unique to Aberlea and is complied through Dr. Lane's experiences across vet med. This is exactly how he takes care of his own pets.

COST

\$113

Billed Monthly

WHAT IS INCLUDED WHEN YOUR PET IS IN THE VLP COMMUNITY?

- ✓ A consistent relationship with your vet to help your pet live longer and live better
- ✓ Your pet's very own 1-page life plan
- ✓ Annual Preventative Care Visit and Vaccines
- ✓ Annual blood, urine and fecal test for organ function/parasite screening
- ✓ Annual dental cleaning and dental x-rays with annual full body x-rays
- ✓ Exam Fee waived for illness visits (diagnostic and treatments not included)

*This plan covers the above services to be performed and a quality relationship with your vet.
